

Official Minutes of
Moe Twp Public Hearing – Road Improvement Project
June 3, 2016 (audio recording available)

The public hearing was called to order by Bushard. All members of the Board were in attendance. The POA was given. Chairperson Bushard, because of a conflict of interest, turned the meeting over the Vice-Chair Fred Krafthefer.

The clerk read the rules of the meeting.

The township engineer, Jeff Stabnow, detailed the scope of the project as follows:

- Moe Hall Road & Tall Timber Road from County Road 8 to Eternity Point – 22' wide, 2' shoulders, approximately 8,200 feet
- Tall Timber Road from Eternity Point to West end of Tall Timbers – 20' wide, 2' shoulders, approximately. 10,600 feet
- Timber Lane from Tall Timbers Road north – 16' wide, 1' shoulders, approximately 1,300 feet
- Eternity Point Road from Tall Timbers Road, east for approximately 1,000 feet
- Bayview Road from Moe Hall Road east for approximately 3,400 feet
- Shamrock Lane from Bayview Road to east end turnaround, approximately 1,600 feet

The costs of the project are estimated at 820,225 dollars. Based on 177 parcels the estimated cost per parcel would be \$3,820.

There was discussion as to who would be charged, if it would be a full or partial share, when the project would be complete, why certain roads were excluded or only paved part way and how it would be financed.

The meeting was adjourned.

Respectfully submitted by,

Todd Egenes, Clerk

Chairperson_____
