OLD BUSINESS

Cartway Update

We have not heard that this has been settled so the special meeting scheduled for December 14th at 7:00 PM is still on.

Road Report

We have been sanding the roads as the recent warmer weather has made some of our roads rather slippery.

Humane Society

No update on a resolution.

Culvert on Shamrock

This issue was initially brought up by Douglas County Soil and Water Conservation District (SWCD). The board feels that this issue should be between the Douglas County SWCD and the land owners.

Unauthorized Tree Removal

We have not received a bill for this.

Snow in the ROW letters

Scott Soderstrom was present to ask why he received a letter. It was determined that he was not the person who had plowed snow across the road right of way.

Driveway Permits

We have received 3 permits so far. 2 have been completed and a 3rd is in process.

NEW BUSINESS

Andes Road

Scott Green and Tim Erickson agreed that a culvert needs to be replaced and that one approach is too steep. The County will replace the culvert, but the township will have to work with the land owner on the approach issue.

Cherry Point Road

Lynn Bushard talked with Scott Green about the condition of Cherry Point Road. Scott Green said he wouldn't do anything with it right now. He would wait and do an overlay in a couple years. He also said that La Grand was going to be doing an overlay in 3 to 4 years on the asphalt that adjoins Cherry Point and we should see if we could work with them to get the overlay done. We did ask La Grand, they will discuss it at their next meeting to see if they will work with us again as the last time we did blacktop jointly, there were Moe Township residents calling them and complaining which caused them to incur legal expenses.

Town Hall Roof

The town hall's new steel roof has been installed.

New Road Rubens

The Red Pine Ridge development wants us to take the road over. The developer has already turned this over to the association manager, who is the one requesting that we take it over. We will consider it next summer.

Beauty Point Road Cul De Sac vacate

Oblers and Barrows are going to district court to vacate a portion of the cul de sac and let the court determine ownership of the vacated portion.

Horseshoe Lane Barricade to Lake

We put up a barricade to prevent further damage to the shoulder of Horseshoe Lane.

Announcements and Correspondence

The Clerk read all correspondence for the month.

November Meeting Time and Place

It was agreed by all that the next month's meeting would be 7:00PM on Monday, January 4th.

Public Input

Rod Johnson expressed concern with the larger trucks running off the asphalt onto the shoulder on the corner and potentially breaking up the edges of asphalt.

A motion was made to adjourn. (m- John Krafthefer, s- Jerome Kostreba, v- unan)
Respectfully submitted by,

Todd Egenes, Clerk
