## OLD BUSINESS

### Road Report

There was discussion on Mill Lake Shores Road planned repairs, weight restrictions and timelines. Road restrictions will be removed on June 3<sup>rd</sup> and if it starts getting tore up they will be reinstated. Any residents of Mill Lake Shores Road should attend the July 7<sup>th</sup> meeting for an update on planned repairs. We will let the Holmes City board know.

### Timber Lane

The Board discussed various turnaround options after having it surveyed to determine the exact right of way boundaries. Steve Sherman offered to remove 2 trees and a pile of firewood at the end of the north end of Timber Lane so we could push the snow back onto his property so it would not build up into the cul-de-sac. The board will meet with Mr. Sherman on June 9, at 7:00PM to view this option.

### Velvet Lane

Johnson will check with Stoeckel & Jahner to see what can be done about any recorded turn-around on Velvet Lane.

### Well Update

The well is in and piped to the shed but still needs the electrical work done. We had to go down 160 feet to find a good vein.

### Chloride Update

Our chloride shipment should arrive on 6-3-14.

Bob Krueger

Bob Krueger, at the last meeting, wanted additional chloride in front of his house. Johnson left him a message stating, no we will not put more down.

Moe Township Website

The Township Roads Do's and Don'ts have been added.

Mower for Tractor Quotes

Different quotes for disc mowers were discussed. Modern Farm Equipment would hook it up to the tractor and make sure everything works. A motion was made to go with the Modern Farm Equipment bid of \$10,150. (m- Johnson, s- Krafthefer, Bushard abstained)
