

Official Minutes of
Moe Twp Special Meeting
September 19, 2016 (audio recording available)

The special meeting was called to order by Lynn Bushard. The POA was given. All members of the Board were in attendance.

The purpose of the meeting is to determine which parcels will be assessed and what the amount of the assessment will be.

The board gathered around the maps of the project area and reviewed each parcel to ensure that all parcels were included on the assessment roll and also whether a full assessment or a partial assessment would be applied to each of them. Most parcels were given a full assessment, some were given half an assessment and 3 were given a 25% assessment. The parcel count ended up at 162.25 with 2 parcels that we'll have to research to determine whether they should or should not be included.

The meeting was adjourned. (m Fred Krafthefer, s- John Krafthefer, v- unam)
