Old Business:

Road Report

Mowing done. Browns Road culvert issue is being worked on installing a standpipe for a safety issue. Branch Rd. and Twins Pt. reshape the ditch and install a culvert under the road to get the water to flow as it should.

Moe Heights Cemetery

A mowing agreement has been drawn up that the township will take care of mowing the cemetery. A lot of questions about why the township would get into doing this, since it's private property. The board countered that originally the cemetery was part of Pioneer Park but was not part of the building site donated to Moe Township and that they can no longer handle the mowing, and it was the right thing to do to take over the mowing. A motion was made to table it for now to do more research. (M-Kostreba, S-Krafthefer, V-unan)

Short Term Rental Ordinance

A lot of discussion about who would enforce the ordinance. The county already has a permit required. Questions about who would handle the implementation of the ordinance. The matter was tabled.

Kronberg Tree Service

Kronberg has not yet finished the work in the Tall Timbers area.

New Business:

Timber Shores Road

Currently working on it.

Beauty Point Court Driveways

An issue of gravel going into and on their driveway. The resident was present. The board is willing to work with them to get it resolved. They did require the resident to fill out a permit request for the driveway.

Branch and Twin Point Roads

A motion was made to Reshape the ditch and install a culvert. (M-Krafthefer, S-Kostreba, V-unan)
