## OLD BUSINESS

### Road Report

We are still mowing ditches.

The seeding in the ditches on Alex Lane is looking good.

### Tree Trimming

Kronberg Tree Service has finished trimming as of today, 10-2. We will be removing the logs left by Kronberg if the land owners do not take them.

### Beauty Point Carp Trap and Culvert

The Carp Trap Project has been completed.

### Second Snow Plow Operator

Tom Hagen has agreed to plow snow for us again this year.

### Tandem Plow Truck

The 2006 International tandem truck that we will be purchasing from the County will not be available for us to pick up for several weeks yet.

### Street Signs

The County will not put street signs back on top of stop signs or yield signs as no other signs should be on a stop or yield sign. We will have to put in separate poles for those street signs.

## NEW BUSINESS

### Timber Shores Public Driveway

We cannot vacate that portion of Timber Shores Court referenced in the vacate petition received by the Township a few months back as it would leave some parcels land locked.

### Mill Lake Shores Variance (Ward)

We told Ward he could not leave his shed where it was. He will be applying for a variance to move it back even with the house.

### Polling Place

We plan to change to in person voting by resolution during the November meeting but would have until December 6<sup>th</sup> to act on it and still get the Presidential Primary moved from mail in ballots to in person.

### Announcements and Correspondence

The Clerk read all correspondence for the month.

### November Meeting Time and Place

Next month's meeting would be 7:00PM on Monday, November 6<sup>th</sup>.

### Public Input

A motion was made to adjourn. (m- John Krafthefer, s- Jerome Kostreba, v- unan)

Respectfully submitted by,

Todd Egenes, Clerk
